Rail Heritage for All

Association of Tourist Railways - Queensland Inc

The Association of Tourist Railways Queensland Inc (ATRQ) is a collective voice to represent the heritage rail tourism industry in Queensland to government, industry and rail regulators.

The ATRQ provides a forum where rail operators can interact and co-operatively develop the heritage rail tourism industry in a changing business and regulatory environment. The ATRQ promotes a united and common approach to assist members with issues that are affecting this sector of the rail industry.

The Chuff Awards

The Chuff Awards recognise the valuable contribution that staff, whether voluntary or paid, make to Queensland's heritage rail tourism sector. These awards also raise the profile of the service that volunteers/staff of the ATRQ members make to the community.

There are two categories; for the 'Behind the Scenes' workers, and for those who provide 'Excellent Customer Service' to their customers.

Nomination forms can be obtained from the Awards Co-ordinator, ATRQ,
3 Barney Street EDMONTON QLD 4869
or phone (07) 4045 3958 or the ATRQ website www.atrq.net

CUT HERE

Have you noticed Excellence by someone who works 'behind the scenes'?

Have you observed someone who deserves recognition for the efforts they put into the organisation? Nominate them for an award.
